accompanying the international conference „Advocates 2018”

A. Sightseeing of Astana city

Thursday, 14 June 2018 from 11.00 – 17.00

Astana's look and atmosphere indicate an aspiration of Kazakhstan to the future. The Kazakhstan young capital is very modern and bright. The ingenious architectural projects which use advanced technologies and design, super modern hotels, business-centers, multi-storey new buildings reflect city's bold ambitions and gushing energy.

Center of the city is decorated with such Astana sights as the Bayterek monument and Palace of Peace and Reconciliation, which were built under the project of the well-known modern architecture Norman Foster. The Ak Orda Presidential Palace can be seen on excursions, while the whole Kazakhstan in miniature on the area of 2ha can be seen in the Atameken ethno-memorial complex. Duman recreational complex is an interesting place of rest and entertainment. Along with shops, cinema theaters, park amusements and cafés, there are also Museum of Miniatures and seaquarium, home of more than 2,000 sea animals, brought there from different corners of the planet.

option 2 Charyn Canyon

Sunday, 17 June

Option one

Sunday, 17 June One day sightseeing. **Excursion around the city of Almaty.**

The tour starts from the center of Almaty. You will get acquainted with the history of the origin and development of the southern capital of Kazakhstan, as well as see its main attractions: the Presidential Residence, the Republic Square and the Independence Monument, the Theater of Opera and Ballet. Abai, Astana Square, the Central Mosque, the Green Bazaar, the Park. 28 Panfilov guardsmen, Abai Square and the Palace of the Republic.

Big Almaty Lake was formed as a result of the activity of the ancient glacier and, thanks to the high altitude location, the water in the lake always remains cool - even in July the water temperature does not exceed +10 degrees.

The lake is a source of drinking water supply in Almaty city and the access of tourists to it is limited. Therefore, the excursion route leads above the Great Almaty Lake to a height of 3300 meters above sea level, where the bases for scientific astronomical and space research are located. Here, at the base of the Big Almaty peak, you can enjoy the enchanting panorama of the mountains and the Big Almaty Lake, surrounded by picturesque mountain peaks covered with Tien Shan fir, aspen and juniper.

On the way back to the city, you will visit the falconry nursery, where you can see an exciting show with specially trained hunting predators, hunting with which is one of the most unique features of Kazakh life.

One day sightseeing (group till 15 persons) cost-45 EURO per person

One day sightseeing (group more than 15 persons) cost- 40 EURO per person

Dinner 25,00 EURO per person

Option two.

Sunday, 17 June **One day trip Almaty - Charyn Canyon – Almaty**

Charyn Canyon - a beautiful natural monument, preserved for millions of years, where, under the influence of millennial weathering processes of sedimentary rocks, the original shape of the relief took the outlines of isolated rocks, columns and towers. The canyon is extremely picturesque and very diverse in geological and geomorphological terms. The wind and water have created here the most beautiful "Valley of Castles". The length of the valley is more than 2 km, width - 20 - 80 m. During the walking route you are surrounded by towers of quaint form, composed of sedimentary rocks. For millions of years nature has created this architecture, diligently and slowly, erected majestic castles. Here you can wander for hours for wondrous towers, pillars and be amazed by the wild fantasy of nature! The fantastic Valley of Castles of the Charyn canyon opens you the world of amazing rock-towers, built of red sandstone, whose age is 10-12 million years.

Charyn Canyon is a natural natural complex, unique in its kind not only in Kazakhstan, but all over the world.
